

What to Expect at Grand Strand Baptist Church

From the moment you enter our buildings, you should be made to feel at home. Our amazing greeting team will be poised and ready to give you directions or answer any questions you may have. We have a Welcome Desk where you may sign in, and receive a special gift from us for attending.

If you have children, you can be personally escorted with them to their respective places, whichever may pertain to your family at that time. We have Bible Study Fellowship (Sunday School) for all ages on Sunday Mornings, followed by Children's Church, and our AWANA Children's Program on Wednesday Evenings. We minister to the entire family with different programs that we offer.

As you enter the sanctuary on Sunday mornings, our greeters will welcome you, hand you our information-filled weekend bulletin (if you haven't already received one) and direct you to your seat, if needed. Then, sit back, relax, and enjoy the worship service.

For those wondering about our attire, it is anything from casual to suit and tie, we just stress modesty. If you have any questions before or after the services, visit our Welcome Desk in the grand foyer beside the sanctuary, or see an usher. You will find people eager to help in any way they can.
